Immersion Consulting is more than just a company. We're a trusted partner, an unbiased eye and an experienced consultant that helps our clients and partners succeed.

Immersion Consulting, a Service-Disabled Veteran-Owned Business (SDVOSB), provides business management and technology consulting to government, nonprofit and commercial clients. Founded in 2004, Immersion Consulting specializes in program management, financial management, technology services, logistics and training. Immersion Consulting's mission is to provide its clients with actionable business solutions that yield sustainable results.

Responding To Your Needs With The Right Mix of Professionals

As a SDVOSB, Immersion provides the deep talent and expertise your organization needs. As your priorities evolve, Immersion responds to each project from a problem-solving point of view, selecting the right consultants to analyze each challenge and develop a comprehensive, sustainable, and repeatable process-based solution.

We provide business capabilities and solutions in program management financial management and information technology for clients in both the public and private sector.

Immersion has the 'right mix' of staff - award winning, highly talented professionals - who have extensive knowledge and expertise in program management, financial management, information technology, engineering, and logistics services.

Let Immersion be your **SOLUTION.**
